UK Free Returns Label Instructions

1. Cut out free returns label and attach to front of package
2. Take to any UK Post Office for free postage back to us
3. Post Office clerk will add a tracking number to the package and give you a receipt as your proof of posting, with the tracking number on it

Please note free postage is only available for UK returns. International returns can use the address, but will need to pay for postage.

There is a maximum package weight of 5kg, please contact us if your package weighs more than 5kg.
